Beachfront Fitness Center is a full service exercise and fitness facility with certified Personal Trainers on site. There is no obligation to sign up for a membership and no annual contracts necessary. Beachfront Fitness offers several options, including a visitor rate. Beachfront Fitness offers boot camps, kick boxing, Pilates, yoga, Zumba, and other fitness activities and classes.

The City Manager, Shane B. Crawford, has worked with the business owner to promote this opportunity to the citizens of Madeira Beach. The Madeira Beach City Centre is near completion, but there have been some unforeseen adjustments to the Fitness Center. Unfortunately, the new fitness center will not be able to be open to the public, as it will be used by the Fire Department for Training and Daily Exercise.

To help Madeira Beach residents interested in improving and maintaining their health, therefore improving the overall health of the City, this partnership with Beachfront Fitness has been made.

For more information, please contact Beachfront Fitness at (727) 498-7056.
